

California Joint Powers Risk Management Authority Training Announcement

[CJPRMA University: Liability Program Online Training](#)

Presented by Tony Giles, CPCU, ARM-P General Manager

Thursday, October 22, 2020

The California Joint Powers Risk Management Authority (CJPRMA) is a statewide risk retention pool that was established in 1986 to provide excess general liability coverage for its members. Currently, its membership is composed of 16 cities and 5 joint powers authorities. The combined membership represents about 100 public entities throughout the state.

This session will provide detailed information on CJPRMA's liability program and memorandum of coverage (MOC). This is the first in a series of "elective" topics building on the general overview provided in the CJPRMA University Training. The program will include coverage provided by the program, limits, sub-limits, exclusions and reporting requirements. The program will help participants to understand how to read a coverage document such as an insurance policy or, in CJPRMA's case, the memorandum of coverage. The program is intended for CJPRMA Member Agencies, their designated Board Members, Alternates and any other staff members who work directly or indirectly with liability claims. This includes attorneys in the member's City/Town Attorney's Office.

TOPICS INCLUDE:

• How to Read a Coverage Document	• Memorandum of Coverage	• Coverages
• Definitions	• Limits and Sub-Limits of Coverage	• Defense and Settlement
• Exclusions	• Covered Party Duties	• Endorsements
